NYIT SHRM STUDENT CHAPTER OCTOBER NEWSLETTER

Hello William,

We hope you're enjoying your fall semester.

In this month's Newsletter we are making a call for volunteers for upcoming events. We are also sharing the link to the SHRM Scholarship Foundation, and announcing upcoming events students and members can attend.

A LETTER FROM OUR PRESIDENT

Hello Everyone,

I wanted to take a moment to thank all of you who attended the September SHRM Chapter meeting. At the meeting, officers had a chance to introduce themselves and present the many exciting projects that will be taking place in the upcoming months. The officers also presented different internship opportunities and ways to become more involved in the student chapter. For those of you who missed the September meeting, a large majority of this information will be covered once again at the next meeting in October, which you are all welcome to attend.

For the October meeting, we will cover an HR related article that I will e-mail to all attendees prior to the meeting. We are also currently in the process of securing an alumni to join us and speak about their experience in the workforce. During the meeting, we will update students on upcoming projects and activities that can enrich your academic career.

The October meeting will be held on **Friday, October 14th at 6:00pm** in the Career Services Center at both the Manhattan (26 W. 61st St., Room 211) and Old Westbury (Salten Hall, Room 3) campuses. I strongly encourage you all to attend and learn more about the SHRM student chapter.

Thank you and hope to see you there,

Melissa Shaver

CALL FOR VOLUNTEERS

There a couple of volunteering opportunities coming up this semester. NYIT SHRM Student Chapter and the Center for HR Studies has been busy planning many events for the year and we need your help to make these a success.

UPCOMING VOLUNTEER OPPORTUNITIES

Volunteering opportunities for upcoming events are listed below. If you would like more information about the event or would like to sign up as a volunteer email the respective contact.
