A LETTER FROM OUR PRESIDENT

Hello everyone,

As president of the NYIT Society for Human Resource Management student chapter (SHRM), I would like to welcome you to the 2016-2017 school year. Throughout the next few weeks, many members of our student chapter will be speaking to you in your classes about the benefits of being involved with SHRM. Aside from some of the more apparent benefits, including resume enrichment, networking opportunities and internship information, the student chapter is also involved in numerous academic professional events and extracurricular activities. Some of our accomplishments from the 2015-2016 school year include:

- Earning the SHRM Superior Merit Award
- Sponsoring 16 Professional Enrichment events
- Holding a Career Forum in cooperation with NYC-SHRM's Young Professionals SIG
- Attendance by members to NYC-SHRM and SHRM-LI professional events

- Inviting alumni to speak at monthly chapter meetings
- Addressing and educating high school students about the HR profession
- Assisting SHRM-LI with their Annual Conference
- Participating in the 2015 SHRM Eastern Region Case Competition and placing in the upper half of graduate teams.

For the upcoming academic year, many of our officers have already begun planning great activities that can serve to enrich your future careers. As a member of the student SHRM Chapter, I can testify that participating in this chapter serves as an extremely valuable experience in the journey of pursuing a successful career in HR.

Please feel free to reach out to me or any of the other chapter members with any of your questions. I look forward to meeting all of you and hope to see you all at our first meeting on September 16th.

Best,

Melissa Shaver

A NOTE FROM OUR ADVISOR

Hello to all Human Resources Students.

A warm welcome to the Fall 2016 semester! I hope you all had an enjoyable and refreshing Summer. I want to extend a special welcome to all of our new MS-HRM/LR students, and welcome back to all of our returning students. I hope to have an opportunity to speak with each of you personally in the near future.

The NYIT SHRM Chapter is a student-run organization that is affiliated with the Society for Human Resource Management (SHRM), a global organization with 275,000 members working in the HR profession. The NYIT SHRM Chapter helps to facilitate the professional development of HR students at NYIT, and helps students to engage with the professional HR community in NYC and Long Island, and with NYIT HR alumni. The Chapter was founded in 2000, and it has won many awards since that time.

The NYIT SHRM Student Chapter had a very successful year in 2015-2016, and many new and exciting activities have been planned by the officers over the Summer for 2016-2017. I hope that all of you will join the Chapter as members and attend the monthly meetings. I also encourage everyone to consider engaging in the Chapter's activities this year. I think you will find the experience to be enjoyable and professionally fulfilling.

You can meet the Chapter's officers and find out much more about chapter membership and all of the planned activities for this academic year at the Chapter's first meeting on Friday, September 16 starting at 6:00PM. There is a video/audio link so that students at both campuses can participate in the meeting in real time. See below about meeting locations at each campus.

Have a great start of the semester!
